

Remarks

In response to the Examiner's communication of October 7, 2003, Applicants have adopted the Examiner's suggestion to cancel all pending claims 1-80, and resubmit the desired claims (old claims 1, 3-36, 92-93, 95-102, and 106-113) as new claims 81-132. Applicants thank the Examiner for her assistance. The newly added claims correspond directly to the desired claims listed above, and the remarks made by Applicants with respect to those claims in Applicants response dated July 2, 2003 responsive to the Office Action of February 7, 2003 fully apply to the new claims with respect to the Office Action of February 7, 2003. In light of the above, allowance of the new claims 81-133 is respectfully requested.

Respectfully submitted,

WONG ET AL
